FULL FAULT PAIN

Iniquity = the PRISON SENTENCE

He wasn't removing all the sin - He was paying for the right to not only forgive it - but use it for his glory

He wasn't removing all the pain - He was taking it upon himself so he had the right to redeem it.

He didn't remove the sorrow - He took it's power to drown you away.

***5b the punishment that brought us peace was on him, and by his wounds we are healed.***
